Dear Sir,

In continuation of my letter No. Roc. 1814-Hc. 329/30-31, of the 19th January 1931, I have to state that Col. J. Matson, Assistant Controller of Military Dairy Farms, is in Bangalore and proposes visiting the Cattle Breeding Station at Ajjampur on the 23rd instant. Col. Matson, who is shortly leaving India, has, I believe, a greater knowledge of cattle breeding in this country than any one else, and I am particularly anxious to obtain his advice on the spot as regards our plans for the future. The importance of making sound plans now for cattle breeding work cannot be over-estimated, and I believe Col. Matson's criticisms will be invaluable.

If I go to Ajjampur on the 22nd instant, it will be impossible for me to meet the Thakore Sahib at my office on the morning of the 23rd instant. I write to enquire if it will not be sufficient if Mr. Krishnayya shows him over the laboratories and explains their working.

Dear Mr. Madhava Rao,

On going through the programme of training for the Thakore Sahib sent with my letter No.El-860/30 dated 16th January 1931, I find that the 9th February 1931 which has been allotted as the 4th day is rather inconvenient to me as a domestic function has had to be since arranged for that day. I think the work allotted for that day might conveniently be taken up on the other days within the hours allotted. I shall therefore be much obliged if you will kindly obtain the approval of the Thakore Sahib for this change in the programme.

My Dear Sir Charles,

In connection with the administrative training of the Thakore Sahib of Rajkot, his Guardian Major Clifford called on me yesterday to enquire if it would be possible to arrange for the Thakore Sahib to visit places of interest in the State such as Bhadravati, ^{and} Kolar Gold Field. He also suggested that the Thakore Sahib might be permitted to spend a few days at Mysore so that he may have ~~have~~ an opportunity of seeing the capital and also of taking leave of His Highness the Maharaja before returning to Rajkot towards the end of March 1931. I understand that these suggestions were made at the instance of Mr. Kealy, Agent to the Governor-General for Western India States and with the concurrence of the Resident, Col. Burke.

Accordingly I have had the accompanying rough programme of a tour prepared for the Thakore Sahib and would be obliged if you could kindly ascertain and communicate to me His Highness the Maharaja's wishes in the matter, particularly with reference to the Thakore Sahib's proposed visit to Mysore from the 4th to 13th March 1931.

A visit to Gold Field may be arranged on some convenient day which may be settled in consultation with Major Clifford after the party arrives. The programme is tentative and should there be any change, I shall let you know.

My dear Mirza,

With reference to Mr Krishna Rao's d.o. letter No.1597 of the 12th instant regarding the proposed tour of the Thakore Sahib of Rajkot, I am desired to say that it might be well if the Thakore Sahib's visit to Mysore could be arranged earlier by 2 or 3 days as His Highness the Maharaja may not be in Mysore on the 5th March.

Perhaps you will be good enough to fix an exact date when you have seen His Highness.

I shall be glad in this connection if you will kindly let me know where you wish the Thakore Sahib to stay when in Mysore, also whether you wish the Government House staff to make any arrangements in connection with any other portion of his tour.

As you are aware, General Sir John Monash and Mr McKenna will be at Government House from the 6th to 9th, and the Resident will be there on the 10th.
